

AMERICAN MARINE OF DELAVAN

SUMMER 2020 VALET SERVICE

How it works:

American Marine of Delavan stores your boat in one of our storage buildings. We will launch your boat at our pier at your request up to 20 times per year. When you are finished with the boat, just leave it in one of the pier slips assigned to the valet service and let one of dock attendants know you are finished. The boat will be hauled out and returned to the storage building.

Valet service will be available seven days a week from 10am to 4pm, Monday -Thursday, and 10am to 6pm Friday – Sunday, May 1st to October 1st. We require one-hour notice prior to launch your boat. Two hours would be appreciated on weekends and holidays. Please let us know prior to 3:30pm on weekdays and 4:30pm on weekends if you will want your boat launched before 10am the following day. All boats that return to the pier after 3pm Monday – Thursday and after 4pm Friday – Sunday, may be hauled out the following morning. Dock space is limited, so please let us know if your plans change or you are running late.

Fees:

The cost for Valet service includes 20 launches.

Boats up to 22'	\$1900
Boats 22' – 24'	\$2100
Boats over 24'	\$2400

Additional Service Available – Please inquire for prices

- Cleaning
- Fuel Service
- Engine service and repairs
- Beer, wine, soft drinks, water and ice are now available for purchase at the marina

How to sign up:

Complete the attached form and return it to American Marine of Delavan with a deposit of 50% by March 1st. The balance is due May 1st.

AMERICAN MARINE OF DELAVAN

Parking Restrictions:

Only one vehicle per boat will be allowed to park in the lot at the waterfront on Saturdays, Sundays, and holidays. Additional parking is available at our storage facility on South Shore Dr., one block from the pier.

Trailer Inspection:

At the start of the season American Marine will inspect your trailer to insure the tires, safety chains, lights, etc. are all in good operating condition. You will be notified if any repairs are needed. Owner may authorize American Marine to complete repairs or correct the issues themselves. Unsafe conditions must be fixed before the first launch. American Marine will not be responsible for trailer breakdowns.

Fuel:

Fueling may only be done at our gas dock by American Marine staff. The State of Wisconsin has strict rules and regulations for fuel storage and distribution. We cannot allow our customers to bring personal gas containers on our property.

Insurance:

Boat Owner must keep boat fully insured with complete marine coverage including hull coverage and liability coverage. We will take every reasonable precaution to protect boat owner's property. However, it is understood and agreed that American Marine will not be responsible or liable for loss of gear and equipment left in the boat, nor for loss by fire, weather, flood, vandalism, or other circumstances beyond our control and does not carry insurance to cover the above.

Please reserve soon. Space is limited.

We look forward to boating with you in 2020,
Your friends at American Marine of Delavan
