

AMERICAN MARINE OF DELAVAN

WINTER 2020 /2021 INSIDE BOAT STORAGE

Enclosed is a reservation form for the upcoming winter storage season. If you wish for American Marine of Delavan to hold a space to store your boat, please fill out the form and return it to **P.O. Box 587, Fontana, WI 53125**, with a \$350 non-refundable deposit. Please verify that all online banking payments are being sent to the above address.

Services included with the storage fee:

- Winterization (Drain engine, clean out water cavities, rinse with non-toxic anti-freeze, add stabilizer to fuel tank and fogging oil)
- Lower Unit Service
- Battery Service
- Spring Commission

For your convenience, a list of services is enclosed. Please indicate on the storage form if you would like any additional services performed during the winter months. Storage customers will receive a 20% discount on engine repairs, maintenance, cleaning, compounding and waxing performed between November 1, 2020 and March 1, 2020, services must be requested prior to or when boat is dropped off. Boats must be on American Marine property October 5, 2020 to receive the discount. No exceptions.

American Marine of Delavan will take every reasonable precaution to protect your property, however, does not assume liability for theft, fire or damage to the boat, accessories or items left in the boat. **Please remove all personal items from the boat prior to storage.** Owners are required to maintain insurance coverage while the boat is stored at American Marine of Delavan and must be willing to provide proof of coverage upon request.

American Marine of Delavan will not be held accountable for freezing damage to any boats arriving after October 5, 2020.

We do expect to fill all of our storage space this season. Please return the attached form with your deposit to ensure a space is reserved. We will not hold a space unless a deposit has been received.

Thank you for choosing American Marine of Delavan.
